Objective:

Compassionate and dedicated Registered Nurse with 7 years of experience providing high-quality patient care in fast-paced hospital environments. Seeking a position in a critical care unit to utilize my advanced clinical skills, patient assessment abilities, and commitment to patient advocacy.

Summary of Qualifications:

- **Bachelor of Science in Nursing (BSN) and licensed Registered Nurse (RN) in the state.**
- **Certified in Advanced Cardiac Life Support (ACLS) and Basic Life Support (BLS).**
- **Experienced in medical-surgical and telemetry units, managing care for patients with diverse and complex conditions.**
- **Proficient in electronic health record (EHR) systems, including Epic and Cerner.**
- **Strong patient assessment, critical thinking, and problem-solving skills.**
- **Excellent communication and interpersonal skills, with a focus on patient and family education.**

Education:

Bachelor of Science in Nursing (BSN)

State Nursing College, Medville, State

Graduated with Honors

Clinical Skills:

- **Patient Care: Critical Care, Telemetry, Medication Administration, Wound Care, IV Therapy**
- **Monitoring: EKG Interpretation, Vital Signs Monitoring, Hemodynamic Monitoring**
- **Patient Assessment: Head-to-toe Assessments, Neurological Checks, Pain Management**
- **Documentation: Electronic Health Records (Epic, Cerner), Patient Charting, Care Plans**

- **Emergency Response: ACLS/BLS Protocols, Rapid Response Team participation**

Experience:

Registered Nurse, Telemetry Unit | City General Hospital (2019 - Present)

- **Provided comprehensive nursing care to a diverse patient population on a 30-bed telemetry unit.**
- **Monitored and interpreted cardiac rhythms, and responded to changes in patient status promptly.**
- **Administered medications, including intravenous drips, and titrated dosages based on physician orders and patient response.**
- **Educated patients and their families on disease processes, treatment plans, and discharge instructions.**
- **Acted as a charge nurse, overseeing unit activities and mentoring junior nursing staff.**

Registered Nurse, Medical-Surgical Unit | Community Hospital (2016 - 2019)

- **Managed the care of up to 6 patients per shift with a wide range of medical and post-surgical conditions.**
- **Collaborated with a multidisciplinary team of physicians, therapists, and case managers to develop and implement patient care plans.**
- **Performed wound care, dressing changes, and other nursing procedures.**

Certifications & Licenses:
